***Living*** is a 2022 British drama film inspired by the 1886 Russian novella *The Death of Ivan Ilyich* by Leo Tolstoy. Set in 1953 London, it depicts a bureaucrat in the county Public Works department (played by Bill Nighy). Overwhelmed at work and lonely at home, his life takes a heartbreaking turn when a medical diagnosis tells him his time is short. Influenced by a local decadent and a vibrant woman, he continues to search for meaning until a simple revelation gives him a purpose to create a legacy for the next generation.
